

## A mural for the new Mobility hub Container

*We're looking for your ideas! All thoughts, sketches or notes are welcome and will feed into the designs.*

- *Sketch designs for the container ( on the back )*
- *Design or draw a bike, tool, plant or anything else you think could be included*
- *Or note down or chat to us about any ideas.*

- What kinds of colours would you like to see there? --- What images or patterns should we include? --- Anything else?
